## ORDER OF COURT

Entered: April 28, 2011

Further appellate proceedings in this case are stayed for 35 days to give the district court an opportunity to consider the appellant's recently filed motion to vacate or modify the order that is the subject of this appeal. If the district court states either that it would grant the motion if this court remands the case for that purpose or that the motion raises a substantial issue, the appellant shall promptly notify this court of that statement. See Fed. R. App. P. 12.1.
